

For our team in Hanoi, we are looking for a
LAYOUT EDITOR (full-time, m/f)

Creativity and quality belong together for you? Layout design is your passion and you are ready to turn visions into reality? Then join our creative production team!

Br24 High Quality Media Solutions is specialised in image editing, layout design and CGI for various application areas. For more than five years, we have been successfully operating in the international B2B segment for more than 1.100 customers worldwide across several industries.

Your responsibility:

- Create, provide and edit layout designs, as well as support in graphic and media design to meet project requirement and daily business
- Create visual solutions and layouts through the use of specific software tools
- Support the marketing team to create a market presence
- Ensure highest quality and deadlines are met

Your skills:

- Bachelor or associate degree as a media designer or related field of study, with at least 2 years work experience in this field
- Knowledge and skills in layout design as well as graphic and media design
- Excellent knowledge of the Adobe Creative Suite (esp. InDesign, Illustrator, Photoshop)
- Strong visual and creative sense, a good aesthetic eye
- Accuracy, attention to detail and high quality awareness
- Creative, flexible, ability to work independently and in a team
- Intermediate English skills
